Company	Active	Description
Tumulty Web Services *Owner, Lead Developer*	10/31/2020 - Current	Provide business owners, startups, e-commerce managers, and project managers with website architecture solutions to ensure their sites are fast, secure, and cost-effective. Built, designed, and currently maintain multiple websites using Bootstrap, Next.js, Redux, Tailwind, Typescript, and various headless CMS and database solutions.
Rutgers Coding Bootcamp *Instructor & Teaching Assistant*	12/1/2015 - 6/17/2021	Taught fundamental to advanced concepts in HTML, CSS, and JavaScript. Taught modern full-stack development with Express.js, MongoDB, MySQL, Node.js, Sequelize.js, and React.js. Coached students on developing web applications and worked with students one on one to understand complex coding concepts such data structures and algorithms.
Scarinci Hollenbeck, LLC *Lead Web Developer*	12/14/2013 - 5/1/2021	Improved SEO, Google's core vital scores, and overall user experience of the company's website by overhauling the site to use a JAMstack architecture. Rebuilt the company's website with Bootstrap, Next.js, GraphQL, Headless WordPress CMS, Restful APIs, and services such as Algolia, Cloudinary, KwesForms, MailChimp, Vercel, and Zapier.
