Company	Active	Description
Tumulty Web Services *Owner, Lead Developer*	10/31/2020 - Current	Provide business owners, startups, e-commerce managers, and project managers with website architecture and development solutions, ensuring their sites are fast, secure, and cost-effective. Built, designed, and currently maintain multiple websites using Bootstrap, Next.js, Redux, Tailwind, Typescript, Vercel, and various headless CMS and database solutions.
Rutgers Coding Bootcamp *Instructor & Teaching Assistant*	12/1/2015 - 6/17/2021	Taught fundamental to advanced concepts in HTML, CSS, JavaScript and modern full-stack web development technologies such as Express.js, MongoDB, MySQL, Node.js, Sequelize.js, and React.js. Coached students on creating fully developed web applications and worked with students one-on-one to understand complex programming concepts such as data structures and algorithms.
Scarinci Hollenbeck, LLC *Lead Web Developer*	12/14/2013 - 5/1/2021	Improved the company website's SEO, Google's core vital scores, and overall user experience by overhauling it to use a JAMstack architecture. Rebuilt the company's website with Bootstrap, Next.js, GraphQL, Headless WordPress CMS, Restful APIs, and services such as Algolia, Cloudinary, KwesForms, MailChimp, Vercel, and Zapier.
